

Letting us know

If you have already remembered TADNSW in your will, we would appreciate your letting us know. This will allow us to thank you personally and hopefully discuss with you how your future gift might be invested in our services.

If have not yet included a bequest to TADNSW in your will, but you would like more information or you would like to discuss this in person, please indicate this and we will be in touch as you have requested.

Any information you give us will be treated **in the strictest confidence** and does not commit your bequest in any way.
