

easy to order supportive seating

Kangaroo Corner Chair and Table

A corner chair for floor sitting with an adjustable-height table, for seating young children in a well-supported and functional long-sitting position. Generally to suit children up to primary school age.

Features

- the seat base is approximately 40mm off the floor
- the chair has a winged back support for shoulder protraction, with side panels at 45° to the centre back panel
- the chair includes a buckled pelvic belt with choice of width, and seat cushions with choice of thickness
- the table is height-adjustable and latches to the side of the winged panels
- lipped table edges help keep objects on the table

Options

- a removable, adjustable pommel
- covered cushions can be fitted to the back panels
- the seat base can be extended to the required length for long sitting

AGE GUIDE
18 months - 10 years
