

easy to order supportive seating

Koala Corner Chair and Table

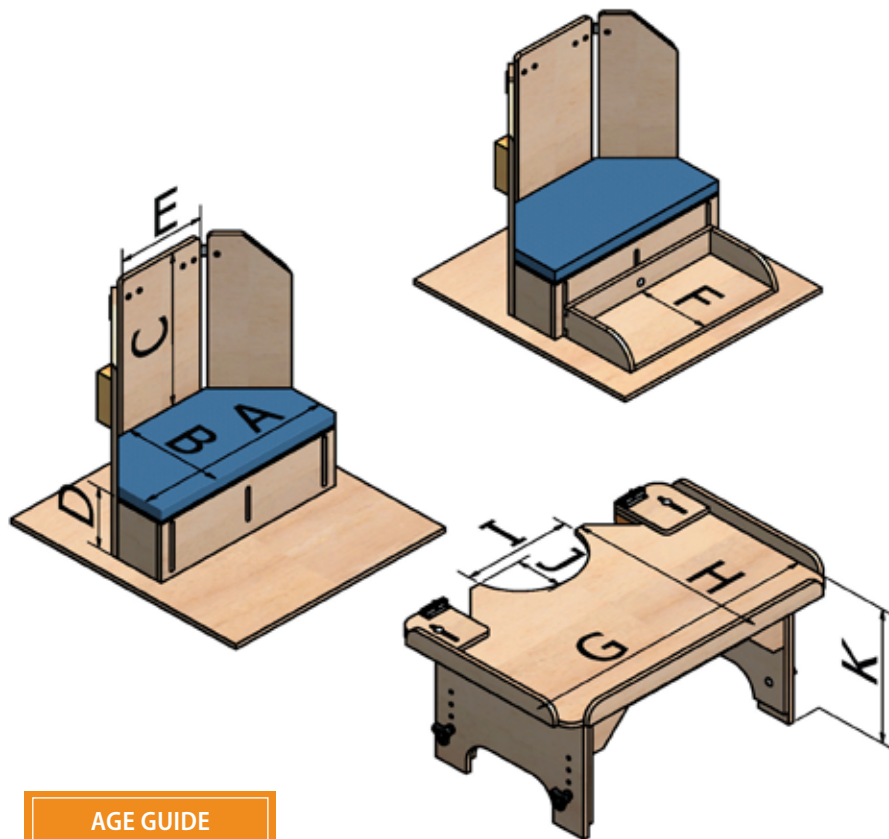

A corner pedestal chair for upright sitting with an adjustable height table, for seating young children in a well-supported and functional upright sitting position.

Features

- the chair is mounted on a base plate for stability and for attaching footcups if required
- the chair has a winged back support for shoulder protraction, with side panels at 45° to the centre back panel
- the chair includes a buckled pelvic belt with choice of width, and seat cushions with choice of thickness
- the table is height-adjustable and latches to the side of the winged panels
- lipped table edges help keep objects on the table

Options

- a height adjustable footplate can be attached to the front of the chair
- small braked castors can be fitted under the base plate
- a removable, adjustable pommel
- the back panels can be fitted with covered cushions
- footcups can be fitted to the base plate or to the adjustable footplate

AGE GUIDE
18 months - 10 years
